OFFICE OF PETITIONS

Dear Examiner:

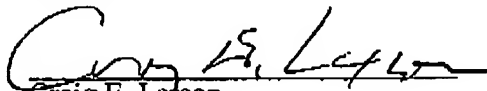

Attached is a Petition of Revival for Patent Abandoned Unintentionally under 37 CFR 1.137(b).

Also attached is a copy of our facsimile confirmation showing the successful transmission of the Issue Fee to the USPTO, as well as the USPTO Auto-Reply Facsimile Transmission sheet which indicates the USPTO's receipt of the Issue Fee payment on November 8, 2007. The issue fee was due November 9, 2007, meaning the Issue Fee was, in fact, paid a day earlier.

Please withdrawn the Notice of Abandonment mailed on December 5, 2007, properly record the issue fee as paid on November 8, 2007 and refund the Petition fee of \$1,540.00 to our deposit account number 23702.

Dated: December 14, 2007

Respectfully submitted,

**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
